KITTENLESS CAT — MOTHERLESS PUPS team up at the home of Joey Buckingham, 140 Courtenay blvd. The four puppies' mother died last week, and the cat, Katie, six kittens were born dead.

Momless Pups, Kitless Cat Form One, Big Happy Family

Four motherless puppies and a kittenless cat found an unusual but permanent home in Granite City last week, providing all the ingredients of a real human interest story—double tragedy, a mother's love, warm cuddly puppies and a happy ending.

All started when a 2½-year-old, all-brown pure-bred Belgian terrier, named Nubby, gave birth to a litter of six motherless puppies. But Nubby, it was said, was not a very providential mother.

She had her puppies beneath a rock, where she died, and it rained that night. Nubby caught pneumonia and died—the first tragedy.

Then a pregnant cat named Katie entered the picture. The next day when she gave birth to a litter of six kittens, But Katie's kittens were all born dead—the second tragedy.

So the four of the helpless animals—two-year-old Joey Buckingham, 1400 Courtney blvd., had on his hands four motherless puppies and a kittenless cat.

Well, just as the human parents did in the case such as this, they joined the two components into what is now a close-knit family.

"Mother and 'schubie' are doing fine. The puppies eyes are not open yet, so they don't know Katie's cat. Katie didn't know—she doesn't know—she doesn't care—that her adopted youngsters are puppies."

The saying goes, "All's well that ends well."

Mitchell To Elect Five For Park Board

Commissioner Candidate Filing Period Ends Sept. 12; Vote Sept. 28

Residents of the Mitchell area area will elect commissioners at the same time they will decide whether to create a park district which would contain about 8.8 square miles of Chouteau township. The candidate filing period will close Sept. 12. The election will be held Saturday, Sept. 28, from 6 a.m. to 6 p.m. of the Old Parish Hall across old U. S. Highway 66-40 from Peul's Garage.

County Clerk Miss Editha

Hers pointed out the outcome of the voting on creation of the park district will determine if the commissioners portion of the ballot will be valid.

Residents of Chouteau township will vote and against the district as well as naming five commissioners. Candidates for the five seats will be chosen by the county clerk's office at Edwardsville at least 15 days prior to the election or by Sept. 12. There have been no findings to date.

12-Store Shopping Center To Be Built

GasenDrugs, W.T. Grant To Have Large Stores North Of Kroger Market

Construction is scheduled to start about Oct. 1 on a half-million dollar initial development for Nameoki Village shopping center north of the Kroger store on the east side of Nameoki road.

James E. Henderson of the Lueders Agency, developers of the shopping center, said major quarters are leased by W. T. Grant Co., 60,000 square feet, and Gasen Drugs, a division of Kroger Co., 10,000 square feet.

Completion of the 12-store center (in addition to Kroger) is scheduled for next August, but Gasen Drugs, which will share the north wall of the Kroger store, is to open about Oct. 1.

Henderson said leases are being negotiated with a national firm which sell family stores and in metropolitan areas have ready-to-wear shop. "We're accepting 10 to 15 years leases for the other quarters which will contain 1500 to 6000 square feet," he said.

The initial 110,000 square feet of store space will be for "commodity shopping," while the second development will be for "specialty shopping," he said.

The center is being built on a 34-acre tract with the initial phase, with three stores. Then it will be 100,000 square feet, including Nameoki road, which is to be widened to a four-lane, divided thoroughfare in the near future.

Parking For 1000 Cars

In addition to the two entrances which now lead to the Kroger store, there will be driveways at Linden blvd. and Cottage Avenue. The lighted and paved parking lot will contain 1000 spaces.

Parking for employees and service vehicles will be to the rear.

The brick structures of modern design will be air-conditioned and heated by a unit supplied by automatic gas heating units. The Grant store will be equipped with air conditioning units.

Henderson pointed out the Grant Co., a national chain with headquarters in New York City, also has stores in this area at East Alton, Collinsville, Belvidere, Cahokia and East St. Louis.

"It's a junior department store and will handle major appliances such as refrigerators, air conditioners, etc."

Youth Shot In Leg By Friend While Hunting

Ronald Schneider, 17, of Florissant, Mo., was shot accidentally above the right knee yesterday as he and a friend were hunting on hog traps near his grandfather's farm near the intersection of Routes 35 and 111.

He was admitted to St. Elizabeth Hospital, where officials called him "a very lucky boy."

The sheriff's office related that the safety catch on the gun of his friend was defective and it accidentally discharged.

Schneider relates that he had sat down before being shot and at first thought that he was hit by a rock. No charges were filed against the friend, who was not identified.

Air Pollution Machines Set Up After Complaints

Two air pollution measuring devices have been set up in Granite City after many complaints of house paint discoloration by residents, Jack Fricker, city building

inspector, said a machine to measure dust and dirt was installed last week at the city hall. Another to measure gas and sulphur fumes was installed at the Wade Baker Contracting Co. and the Cook Co.

A third machine will be placed on top of the city hall early this week. This device will measure larger particles in the air.

Fricker said most of the paint discoloration fumes have been received from East Granite and along Madison avenue as far east as the 2700 block.

Furnished By U.S. Agency

A federal government office in Los Angeles which installed the machines will try to find out exactly what "it is."

Fricker said the machines will capture air particles and fumes for a week at a time. After the results are known, a report will be made to the city and county authorities.

Government experts, he said, will be able to determine the particle and amount of any air pollution at specific times of the day. The pollution meter is part of a nationwide program being conducted by the federal government.

Boy, 12, Fractures Arm In 29-Foot Fall Off Viaduct

Edward Byrne Jr., 12 of 1900 Third street Madison was reported in good condition this morning at Cardinal Clemens Memorial Hospital for Children after falling off the McCampbell Avenue viaduct early yesterday afternoon.

He was taken to the St. Louis hospital from St. Elizabeth Hospital.

He suffered a fractured left arm and abrasions to the right flank and right side of the face.

According to Madison police, young Byrne fell 29 feet and his 14-year-old companion had dived down between the sides of the highway and the viaduct and crawled under the viaduct and across under a team. Their friend didn't, they did and Byrne fell off.

Talks Fail At Dow Co., Local 4804 Walks Out

Steelworkers Picket At Madison; GC Steel, Chemical Union Agree

United Steelworkers Local 4804 is picketing today at Dow Metal Products Co., Madison, after 535 of the 700 union members voted unanimously Saturday to reject the company's final contract offer.

George Becker, local president, said the main issues were "economic and working conditions." Contract negotiations between the firm, a division of the Dow Chemical Co., and the union broke down at the 13th negotiating session Friday.

The current contract expired at midnight Saturday. The plant operates 24 hours a day, seven days a week during holidays. Picketing began at midnight Friday.

Tom Griffin, staff representative for the union, said the steelworkers are asking for a "substantial wage increase" and a "sabbatical leave plan."

10-Week Vacation

The sabbatical plan calls for 10 weeks vacation with 13 weeks pay over five years and, after five years, Griffin said, the union members will be entitled to a week off every year.

Griffin said the union members were injured in a collision involving the auto of Mrs. Patricia Lemm, 30, of 3702 Fontenelle, eastbound on Illinois Avenue, about 10:30 p.m. Saturday. Lemm, 30, was driving eastbound on Route 111, southbound from Clinton, Ill.

State police said the collision was caused by a red traffic light at the high way intersection. There were no arrests. All eight occupants were taken to St. Elizabeth Hospital, where they were admitted for treatment.

Mrs. Lemm suffered abrasions to the right upper arm and right shoulder, and a cut on the arm and the top of the head. Mrs. Lanham received head laceration and abrasions to both hands and arms.

Passenger in Lemm car were Mrs. Lemm's son, Charles Richard; Lemm, 15, of the Fontenelle address; Lorraine, 14, of 3122 Niedringhaus avenue, eastbound on Illinois Avenue, top of head; Vickie Day, 11, swelling and contusions to left leg and left knee; and Paula Day, 9, with right contusion to left hand; and right side of back; left eye swelling, contusions to right leg and laceration on right leg. All four reside at the Villa Drive address.

Boy On Bicycle Struck

James L. Myers, seven, 200 West 20th street, suffered abrasions to the chest and right lower arm at 7 p.m. Sunday when he was riding his bicycle on the sidewalk. The boy was hit by a car driven by Carl Elling, 36, of 2910 Denver street in front of 2914 Denver.

The boy was released after emergency treatment at St. Elizabeth Hospital. He had been treated, painless, and was turning painless.

A Pocahontas man, Odell Rea, 48, was admitted to St. Elizabeth Hospital at 9:15 this morning with a fractured right leg. He suffered when the car in which he was riding collided with an auto driven by Mrs. Annalee R.

FIVE CHILDREN found neglected Thursday night sit in their "living room."

BASEMENT OF HOME where children slept littered with debris.

County Takes 5 Children, 1½ To 9, Left Alone

Juvenile authorities were to meet today with state's attorneys to determine whether to file charges against the parents of five children found neglected Thursday night.

Granite City police were summoned to the home in the 2000 block of Ontario street about 10 p.m. Thursday by neighbors. The children, aged 1½ to nine years, were found unattended in unsanitary surroundings.

The children were placed by juvenile authorities in two separate foster homes for care at about 10 p.m. Police said the home where the children were found was the man's 16-year-old brother was supposed to be watching the children but apparently left. The parents, who said they had been visiting relatives and at several taverns, according to police.

Hearing To Be Set
Mrs. Minnie Sigit, a juvenile officer, was at the residence Friday to file a dependency petition alleging physical neglect. Judge Michael Kinney is expected to set a hearing within the next two to three weeks.

Meanwhile, the Family Court Division of Madison county has asked the judge to issue a temporary court order putting the children in the care of the court until the hearing.

James Reidelberger of the division said if the petition is found valid at the hearing, the family would be allowed to become permanent wards of the court. The parents would probably be given a year to 18 months to rehabilitate and, if so, the children would be returned to a trial basis.

According to police, the children are the woman's only two children.

She has been married about a month to her present husband.

Stewart LeMaster, 66, Dies Of Asthma Attack

Stewart "Press" LeMaster, 66, a retired planer operator at General Steel Industries, died Friday at 7 a.m. at his home of a severe attack of asthma.

He had asthma for the past four or five years,

but the ailment had considerably worsened the past several months.

A native of Dover, Tenn., Mr. LeMaster had been in Granite City for 44 years, currently residing at 2235 Madison avenue. He had worked for 25 years at General Steel Industries, before retiring five years ago because of ill health.

A veteran of world war I, Mr. LeMaster was a member of Tri-City American Legion Post 113.

Surviving Mr. LeMaster are his wife, Alma, son of Granville Jack, Charles H. and Ruthie LeMaster, all of Granite City; and Leslie LeMaster of Welton, Mo.; three sisters, Mrs. Nannie Meadows, Mrs. Georgia LeMaster,

GC Township Collects 86.7% Of Tax Bill

Only \$3,455.00 or less than 87% of Granite City's total 1962 tax bill was collected before last week's local payment deadline. It was reported Friday by Collector Ervin C. Rich.

He said that the total tax total was much lower than he had expected, it was only \$23,790

short of last year's record Gran-

ite City sales tax of \$27,590.

Last week's mail payments of about \$538,000 carried the collection total to its final mark.

Mr. Rich said that the taxpayers who failed to pay their

taxes in his office will have until Friday to pay them.

The county treasurer's office at

Edwardsville without a penalty.

The local collector, he said,

was at 5:30 p.m. between Third and Fourth streets near the police station. The two boys told him to give them his money and they would leave him alone. He said he would leave the ground, they grabbed it and ran.

About 6:45 p.m. the same boys stopped Joey, hit him in the head and took his money. They took a dollar and fled. Joey said his assailants apparently saw him making a collection, and decided to rob him again.

The boys were described as being between 12 and 15 years old. One wore a blue shirt, the other a white shirt.

Joey, suffering from tumor of the nerve, is unable to defend himself. He has been a Press-Record carrier since he was nine years old because of his nervous condition had to quit his paper route.

He was robbed once before—fall in an alley off Madison avenue. That time, too, two boys, got about \$5. He

was not certain if those were the same boys who robbed him Thursday.

Joey is the son of Mr. and Mrs. William Vaughn, 1633 Second street, Madison.

Miss Helen Henderson And Stanley D. Thurman Are Wed

The bride was gowned in white satin and lace. The dress was styled with a lace bodice with a scalloped neckline, and long tapering sleeves. The satin skirt ended in a chapel train and a veil of silk illusion was held in place with a crown of pearls. The bridal bouquet, a cascade of pink roses, was held in a white organza with an orchid.

Mrs. Helen Henderson, a daughter of Mr. and Mrs. Raymond Henderson, 2815 Emmons street and Stanley D. Thurman, son of Mrs. and Mrs. Stanley Thurman, St. Louis.

The Rev. Raymond Switzer officiated at 1:30 and the wedding reception was held in the church basement.

Mrs. Helen Henderson presided at the organ and accompanied the soloist, Miss Jean Peterson. Mrs. Julia Coffey, the bride's mother, Mrs. Helen Peterson, sister of the bridegroom, and Miss Debbie Lands, bridesmaids, wore dresses of pink, blue and white chiffon with lace jackets. Headbands matched the colors of their gowns, as did their bouquets.

Mary French, the bride's cousin, and James Lands were flower girl and ring bearer. The former was in a dress of white satin.

The bride, a graduate of the Leavenworth High school, was employed as a secretary in St. Louis. Mr. Thurman attended the St. Louis schools and was graduated from Roosevelt High and also employed in St. Louis.

The Ladies Aid Society of the church was in charge of arrangements for the reception.

MRS. ROBERT GENE PRICE, a bride of Saturday, before her marriage at St. Mary's Roman Catholic Church in Madison, she was Joyce Ann Svezia, a daughter of Mr. and Mrs. Stanley Svezia, 1709 Fifth street, Madison.

St. Mary's Church Is Scene Of Price-Svezia Nuptials

St. Mary's Roman Catholic Church in Madison was the setting Saturday morning for the wedding of Miss Joyce Ann Svezia, a daughter of Stanley Svezia, 1709 Fifth street, Madison, and Robert Gene Price, son of Mr. and Mrs. Arvel Price, 2874 Locust street.

Rev. Ernest Binek officiated at the 11 o'clock service. The wedding breakfast was held at the Rose Bowl and friends of the bride and groom attended a reception in the evening in "300" Room of the Tri-Mor.

Silk cloud peau fashioned the bride's gown. The bodice and short sleeves back feature were beaded. Back effect was achieved by a camelot train caught high at the waist with a double row of buttons. A double row of imitated silk buttons was held in place with a matching lace princess crown touched with pearls and iridescent sequins. Orchids and stephanotis were combined in the bride's cascade bouquet.

The soloist, Miss Grace Svezia, of the choir of the bride, "O Lord, Who Can Wedding 'Ave Maria," and "O Father."

Miss Mary Lee Svezia was her sister's maid of honor, and Mrs. Ronald May and Mrs. Shirley Dusek were bridesmaids, serving with a junior maid, Miss Carla

A popular sewing and quilting group, organized by Mrs. Dorothy A. Johnson, a widow, and Mrs. Edward J. Davies, 3236 Rodger avenue, and Douglas Robert Okun, whose parents are

Mr. and Mrs. Harry Okun of Syracuse.

The ceremony was performed at 11 o'clock at the Church of the Blessed Sacrament. Rev. Haggerty officiated.

Attendants were Miss Sue Walker of Wood River and Ronald Collier of Syracuse.

The bride wore a gown of white chiffon with a Chantilly lace border and short sleeves. A veil of lace was held in place with satin roses and a bouquet of white roses and carnations carried by the bride. Miss Walker was in a short turquoise chiffon dress with matching hat and shoes.

A reception was held at the American Legion Hall in Syracuse and the newlyweds left later for a honeymoon in the Adirondacks before returning to the University of Illinois in Champaign to resume their studies.

Silk cloud peau was similarly attired in yellow and both carried white baskets filled with yellow roses.

Mr. Price had his brother, Donald, as best man, and the corps of groomsmen and ushers consisted of Jerry Price, another son of the bride; Louis Sauvier, the bride's cousin, William Schreiber, Floyd Price, Del Wright and Delbert Clemmons.

After the ceremony the couple will live in Columbia, Mo., where the bridegroom will begin his senior year at the University of Missouri. He graduated from the Granite City high school and attended the University of Houston.

The former Miss Svezia graduated from the Madison High School and had been employed in the accounting department of a St. Louis firm.

HONOREE AT CRADLE SHOWER

Mrs. Terry Gushoff was honored Sunday at a cradle shower given by Miss Patricia Ashby and Miss Joan Blankenship at the home of the latter, 2308 Clinton avenue.

Hiles Shines In Saturday Scrimmage At GCHS

Coach Jim Morrison is pretty tight-lipped when it comes to naming a starting quarterback for the 14 football opener with Assumption high school, but Collinsville transfer Joe Hiles may answer himself the question which is on the lips of followers of Granite City gridiron pros.

Hiles, naged by a touch of the flu, came off the bench in a game-type scrimmage Saturday and batted .600, 6-for-10, between opposing GCHS units by running for two touchdowns and passing for a third in a 22-0 win for his contingent.

One of four candidates being groomed for the signal-calling position by the Warrior coaching staff, Hiles got off a 50- and 50-yard scoring run and hit end Joe Hartman with a 25-yard touchdown pass all in the fourth quarter.

Hiles has located two other points, the other score a safety manufactured by defensive efforts by Jerry Linn and Randy Thompson, who trapped and tackled an opponent in the end zone.

The fourth-quarter fireworks climaxed a rather even tug-of-war battle as the two units split up about even for the first full scrimmage, which was complete except for kickoffs.

Defense In Lead

"The defense is ahead of the offense," Morrison observed after a Monday night meeting of the coaching staff, which took a long time to film shot during the scrimmage.

"Our offensive backs need some game experience," Morrison continued. "Everybody does that for that matter. Sixty percent for that matter. Sixty percent for the first few units Monday day are juniors. It may take them a couple of games to come around."

The hit several other members of the squad over the weekend, including fullback Bob Pyle, who did not take part in the Saturday scrimmage.

One of the most injured members struck by the virus, Morrison's "me-on patch" (list of injured players) was not increased by the time of the final meeting.

The Warriors will begin their one-a-day practice sessions this afternoon following the first day of classes in the fall term. "We will hold out most of our practices this week," Morrison added, "spending about the same amount of time on offense and defense for the Assumption game."

The Warriors elected seniors Pyle and Ron Yates, who is disabled with a hand injury, as co-captains for the season during halftime Friday by squad members.

Yogi Berra's lifetime batting average is .284.

Hearts Take Two In Playoff Bid; Mercer Closes In On Braves

St. Clair Hearing and Moore Lodge No. 4 sewed up titles in the Blue and Red divisions, respectively, of the Inter-City Baseball league during a busy, 13-game holiday weekend.

Granite City teams also fared well over the three-day period, with positive results.

For the Home and Sacred Heart, the post-season play-offs considerably brighter today.

Mercer moved to within half heads pretty hard—maybe a little too hard, but that's the way it is.

Mrs. Emma Buente, 70, Dies At Son's Home

Mrs. Emma Buente, 70, a lifelong resident of Granite City and its outlying areas, died of an apparent heart attack Friday at 10:40 a.m. at the home of her son, Charles H. Buente, at 3510 Jorden Avenue.

Mrs. Buente, whose home address was 2871 Iowa street, was staying at her son's home for several weeks because she had to travel to Hazel, Ill., for a stay with her daughter. She had been a patient in St. Elizabeth Hospital for two weeks prior to visiting her son at the Jorden Avenue address.

In the hospital for rest and medical tests, Mrs. Buente was found to have a weak heart and function of the arteries.

Before moving to her home address on Iowa street eight years ago, Mrs. Buente and her late husband, Charles, had lived on Madison Avenue for 27 years and previously had lived at Four Corners along Route 162. Charles Buente preceded his wife in death in February of this year.

Mrs. Buente was a member of St. John United Church of Christ and the Republican Women's Club.

In addition to her son, Charles, Mrs. Buente is survived by one other son, Herbert Buente, also of Granite City; five daughters, Mrs. John (Audrey) Johnson, Mrs. Leo (Melia) Giesemann of Hazel, Mrs. Chester (Dorothy) Schake of Edwardsburg, Mrs. Vernon (Hilda) Price of East St. Louis and Mrs. Edna Buente of Granite City; two brothers, Louis and Fred Strackeljahn, both of Granite City; two sisters, Mrs. Anna (Alvina) Bruns of Granite City, Mrs. Carl (Katie) Becherer of Belleville, and Mrs. Anna Schwinn of East St. Louis; 12 grandchildren and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

LONG-AWAITED PRESENTATION — Cleveland Johnson (center), president of the Eagle Park Improvement Association, presents a water deposit for \$23,885 to E. Clinton Smith (second from right), manager of the East St. Louis on Interurban Water Co., and officially ends Eagle Park's 10-year struggle for regular water service. Watching the long-awaited presentation (left to right) are James R. Alcott, board chairman of the First National Bank in Madison, Louis B. Reilly, the bank's executive vice-president, and Irvin Slatte, a local attorney representing the association.

Eagle Park Water Service To Be Ready in December

Eagle Park, a small unincorporated community near Madison ended its 10-year effort to get water service Thursday afternoon when Cleveland Johnson, president of the Eagle Park Improvement Association and the spark behind a drive for water funds, presented a check for \$23,885 to the East St. Louis and Interurban Water Co.

The deposit check is Eagle Park's share of the cost to extend water service to the community. The money was raised by calling upon each of the 232 families in the community for \$103. The funds were collected in a seven-month drive started by Johnson and the improvement association last Feb. 7.

According to E. Clinton Smith, vice-president and manager of the water company, the entire project will cost about \$70,000.

Buys Finds Firecracker, Injures Left Hand

Wesley Bauer, 10-year-old son of Mr. and Mrs. Thomas Bauer, Rural Route One, suffered a second-degree burn to his left hand Friday at 1 p.m. when a firecracker he had found went off too quickly.

The 10-year-old said that he found the firecracker while walking on a road near his home. She said, when he lit the firecracker, it did not go off and he put it in his hand to see if the fuse was burning and it exploded. He was treated at St. Elizabeth Hospital.

Work on the lines is expected to begin in October and should be completed by mid-November. The lines will run from Highway 67A, southeast of Madison, and will include 5900 feet of 10-inch line and 2700 feet of eight-inch line. Smith said that after the main lines have been constructed, the individual farms will have to benefit by the lines.

Since 1948, when the community first began to develop, Eagle Park has been getting its water from a state-owned, obtaining water from local wells. It will continue to do so until the new system has been completed. "Residents who failed to pay their \$100 deposit will not receive water service until they have done so," said Johnson, who added that deposits are to be made at the First National Bank in Madison.

Car Rolls, Hits Auto

When the parked auto of Charles Tracy, 2922 Nameoki road, accidentally rolled out of the driveway at his home at 10:35 a.m. Saturday, it ran over and collided with the right rear of the auto of Duane Mossman, 1003 McCarbridge Avenue, who had been driving north on Nameoki road.

Residents who failed to pay their \$100 deposit will not receive water service until they have done so," said Johnson, who added that deposits are to be made at the First National Bank in Madison.

SOCIETY

MRS. PHILLIP M. ATKINS, a bride of Saturday. Before her marriage at St. Mary's Catholic Church in Madison she was Betty Ruth Champion, a daughter of Mr. and Mrs. Jack Champion, 1647 Fourth street.

Miss Betty Champion Is Bride Of Philip Atkins

Miss Betty Ruth Champion, daughter of Mr. and Mrs. Jack Champion, 1647 Fourth street, Madison, and Philip Atkins, son of Mrs. A. T. Atkins, 18 Tierney place, East St. Louis, were united in marriage Saturday morning at 9:30 at St. Mary's Catholic Church in Madison.

Father Sylvester Miech officiated at the double-ring ceremony.

The bride, given in marriage by her father, wore a gown of silk organza with a scoop neckline and long sleeves that came to point at the waist. The gown was plain with the exception of a bow in the back and appliques of sequins and seed pearls down the front. A crown of seed pearls held in place a finger-tip veil.

The bride carried a white prayer book topped with white orchids.

Miss Kathleen Schenck, maid of honor, and Miss Margaret Champion, sister of the bride, bridesmaids, wore gowns of mottled green satin. They were in white with a lace-up front, long sleeves, scoop neckline in music.

Miss Donna Achenbach And James Jones Exchange Vows

Miss Donna Achenbach and James L. Jones exchanged wedding vows Saturday afternoon in a ceremony taking place at 2:30 p.m. at St. John United Church of Christ in Bellemore.

Rev. Paul Suthey officiated and the wedding reception was held at the church. Pink and white carnations decorated the ceremony for the double ring ceremony.

The bride was given in marriage by her father. She wore a white satin dress, ballerina-length, with a empire waist. The bodice had a high neckline in front, sloping to a V in the back. A veil of tulle was held in place with a crown of crystals and the bride's bouquet was made up of white carnations.

Miss Donna Lee Butkovitch was maid of honor. She was attired in a pink satin dress with a bell-shaped skirt and a pink lace and veil. She carried pink and white carnations.

Mr. Jones, a son of Oscar Jones, 2416 Douglas avenue, and Mrs. Dorothy Achenbach, wife of Granite City, had his brother,

GOLDEN WEDDING. Mr. and Mrs. Ignatz Brulenski, 1000 Alton avenue, Madison, who celebrated the fiftieth anniversary of their marriage Sunday. They are shown in the top photo in a recent picture, and in the bottom picture of the time of their marriage.

Bouquets of roses and carnations tinted to match the gowns were carried by both.

Thomas J. Ganey served as best man, with Thomas Kowalski as groomsman. Lawrence J. Doyle and Jack W. Champion, Jr., brother of the bride, seated the guests.

Mrs. William Tukta, soloist, sang "The Chorus Line," "My Way," "O Lord I Am Not Worthy," and "Mother At Thy Feet I Am Kneeling," accompanied by Mrs. Lee McGarrahan, organist.

A reception was held at the Smedsberg, 4900 N. 4th street.

The young couple will reside at 2908 Madison avenue.

The bride is a graduate of Madison high school and is an employee of the Lacled Steel Co. in St. Louis.

Mr. Atkins is a graduate of Assumption high school, East St. Louis, and is attending Southern Illinois University (Alton), majoring in music.

They were married Sept. 3, 1913, at St. Casimir's Catholic Church in St. Louis and have two children and three grandchildren. They have resided in Madison for the past 45 years.

The couple attended an 8 o'clock Mass in their honor today at St. Mary's Catholic Church in Madison.

Mr. Brulenski is 81 and his wife is 70.

ARTISTS GUILD MEETS

The Artists Guild met Thursday at the home of Mrs. Paschalis, 1000 Alton avenue, with 12 present. "A Mexican Theme" was the topic for study, and plans were made for a field trip Sept. 7.

SEPT. 1, 1938

Piling up a big vote in Vandalia, Acting State's Attorney A. Austin Lewis of Madison defeated C. W. Burton of Edwardsville for the Democratic nomination for state's attorney of Madison in the special primary. Turnout was high, but unofficial returns from the 95 precincts in the county give Lewis 10,524 votes against 8,615 for Burton, a majority of 1,909.

In the same primary election, City Councilman R. W. Griffin, candidate for the Republican nomination, won an overwhelming victory over his opponent, Henry B. Eaton of Wood River. Peter 386 votes, while Eaton was given 1049.

Since both the Democratic and Republican nominees are from the Tri-Cities, this community, for the first time since 1919, is certain to have one of its own citizens in the office of state's attorney.

The Massey Dairy was informed Tuesday that Thomas Hogan, 2202 Nevada street, winner of the recent ice cream eating contest, died yesterday by the dairyman, a new world record.

Statistics supplied by an ice cream manufacturer disclosed that Hogan's consumption of a gallon and a half in 15 minutes has never been equal.

O. S. Schooley and sons, Harry and William, of Madison, accompanied by Judge Harry Willoughby of Alton, won the contest, eating the week at Gordon, Wis., on a fishing trip.

Dr. and Mrs. T. B. Edwards of Broadway, Vt., will depart tomorrow for a month's motor tour of the far west, during which they plan to spend several days with their son, Dr. W. B. Edwards, and his family in San Francisco. The younger Dr. Edwards is employed in the United States Public Health Service and probably will be promoted to the rank of surgeon general.

During Dr. T. B. Edwards' absence, his office will be operated by his nephew associate, Dr. Jacques R. Chaffin, formerly of Rockford, Ill., who decided to locate permanently in the Tri-Cities.

The All-Stars team representing Granite City, with Tom Givens to Alton tomorrow night to play the Watertower Dads softball team of Alton.

Mr. and Mrs. John Cawthon and wife, with their daughter, Mrs. Paul Cooper, and her daughter, Barbara, have returned from Cambridge, Wis., where they vacationed a week. Entering home, they stopped at Chicago and Springfield.

CHRISTIANITY DOES NOT PROMOTE SEPARATION

To the Editor:

The crank calls received by the writer of the Aug. 22 letter about segregation necessitate an anonymous signature by him. Those who express their concerning opinions on this subject:

The persons to whom that letter was directed were not the ones who made the cranky phone calls; the latter are so rooted in their own hatreds and prejudices that communication is impossible. "I don't like it," they say. "I know integration is imminent," are the ones who can be reached.

I assume that the majority of our citizens consider themselves Christians. If they had been prepared to stand up to the full extent, they would not have allowed Granite City to remain all white.

They supposedly uphold the Golden Rule, the idea of "love thy neighbor" and the idea of brotherhood. One of the commands of the Golden Rule is "love thy neighbor as thyself." But the people in this town say, "Love only those neighbors who are like yourself."

The non-Christians cannot be expected to agree with me. But the Christians are expected to love their brother as he is. What are they going to do with all the white community? Allow it to continue until federal troops are sent in to see that our town abides by the Constitution?

Prize, Interest, Support Vital For

Area To Achieve Its Great Potential

By CHESTER L. BAKER

President, Tri-Cities Chamber of Commerce

Upon the last in a series of four guest editorials requested from the Associated Retailers, Chambers of Commerce, East Side Manufacturers Association and Trade and Labor Council.)

Most experts agree the Tri-Cities area has a great potential for future growth and development. The principal reasons for this view are the community's many outstanding resources and facilities—our many "blue chip" industries, skilled manpower, excellent transportation, central location, available land (for industrial, residential and commercial development), utilities, money and proximity to major markets and raw materials.

A potential for growth, however, is one thing and creating another.

As president of the one group in the area dedicated to our community's overall development—whose only special interest is the welfare of all of us—I have had an opportunity to get a special insight into community development matters. Here's what it takes, in my opinion, to make such programs successful.

First of all, it takes a rounded development program. In out-day-to-day efforts to interest businesses in the area, it is well to remember that all factors known as the six M's (management, manpower, markets, material, machinery, money) are no longer enough. The companies also want to know about the residential areas in which their employees will live, shopping facilities, the quality of the schools, whether local government is responsive to the problems of business, recreational facilities, cultural activities and health services.

Also required—and this may be surprising—is a positive attitude by our area's citizens. Yes, we plain of communists, right?

If we don't have pride in our community's many wonderful resources and confidence in its future, why should outside business firms invest in it?

Citizens must support forward-looking programs that will make our community the kind of place in which others want to establish businesses and make their homes. This means, for example, supporting efforts to provide necessary sewage treatment and sewer facilities.

For the above reasons, the Chamber has developed a program of work aimed to produce the ideal well-balanced community. To carry out this program, it has established committees to both prepare for and promote all types of development. This is why the Chamber not only has industrial and civic development groups but committees interested in education, highways, taxes, public health, transportation, recreation, sewers, zoning and governmental affairs.

In conclusion, I believe there are two things that every Tri-Cities citizen can, with little effort, do for the betterment of our community:

(1) Boost the community at every opportunity—speak up for it, as Texans do.

(2) Make it a point to be better informed on community affairs.

VIEW ON HOMECOMING, COUNCIL CHALLENGE

To the Editor:

To agree with the Forum letter Aug. 22, the Jaycees' homecoming I believe our city and people should back organizations such as the Jaycees and other non-segregation groups to show an interest in our community.

With this in mind, South Roxana should be given an All-American City award, for they strike it as an all citizen city, run by a few egomaniacs.

Granite City homecoming promoters have, however, been charged with a lack of charge an admission to a show and have riders out in the "wheat field" because it is obvious our citizens cannot go anywhere without their "canned courage."

In respect to Wilson Park and drinking on "certain occasions," it would be quite an achievement if our adult practice our drinking on just certain occasions."

Quad-City Safety Council Appeals For Safe Driving

With all schools in the Quad-City now open, the Quad-City Safety Council today repeated its appeal to motorists to exercise extra precautions while driving in the areas of schools.

Schools in Granite City and all peripheral schools in the Quad-City opened today and public schools in Madison and Venice, which began sessions last Thursday, also resumed sessions today after a Labor Day holiday.

Don Watson, president of the Quad-City Safety Council, pointed out that with today's motorists, who are the products of engineering skills combined with the best manufacturing know-how that the world has known, still can't think. Proficiency in maneuvering must be supplied by the operator.

"All of us try to educate children in how to conduct themselves in traffic under normal circumstances. Children know and practice the rules they have learned at home or in their classes," Watson said.

"In unusual conditions, such as a rolling ball or chasing with other kids, often times causes forgetfulness."

"It is during these periods of temporary thoughtlessness that kids are moving fast and without regard to the nearby flow of traffic."

"Motorists need to be especially careful during the first days of school. Particular caution is used in the vicinity of schools where they are playing in groups."

"Pedestrian accidents are approximately one-fourth of all fatal accidents with children under 14 years of age and the over 65 age group making up nearly 60% of the total. In either case thoughtlessness is the most probable cause. This leaves the responsibility for these human lives almost entirely in the hands of the drivers."

FALL PROGRAM TO BEGIN AT CENTER

John Birdsong, director of the Lincoln Place Community Center, is featuring a new fall program.

A one-act comedy, "Sally Take Bow," is a teenage production which will be presented at 8 p.m. on Saturday, Sept. 25. Parts in the play will be still open, and teenage boys and girls interested may try out for them.

A pre-school kindergarten class will be offered, and will be conducted every Monday, Wednesday and Friday, with registration Monday, Sept. 16, at 1 p.m. Parents are invited to take part in the activities.

Registration for non-credit courses will be accepted, on a first-come, first-served basis.

On Tuesday afternoons starting Sept. 17, from 1:15 to 3:30, a ladies' handcraft class will be held.

The class will be held to make a variety of Christmas decorations and gift decorations. There will be a slight charge for supplies used by each person.

On Wednesday evenings from 7:30 to 8:30, starting Sept. 16, a ballroom dancing class will be featured for age 14 to adults. The first lesson to be taught is the cha-cha.

Each Thursday from 7:30 to 8:30, starting Sept. 16, a dog training class will be held for the amateur and his dog. Basic principles of how the dog and a master work together will be explained.

On Friday evenings, a free movie will be shown for children and adults on Monday afternoons from 3:45 to 4:45, starting Sept. 16, at 2923 Poplar street. Guests of the craft class will be conducted for children from the ages of seven to 13.

On Thursday afternoons from 3:45 to 5:15, starting Sept. 17, a pre-teens drama and dance club is scheduled for boys and girls aged seven to 12. Teenagers and adults are invited to participate in the drama club.

The tentative budget is \$1,837 higher than last year's was given initial approval July 15. Final action was to be taken Aug. 19, when members of the board would be given time to review appropriations.

Largest proposed department increase is in the working cash fund which is up \$21,970 to a total of \$111,997.

excessive job movement problems, typified by some 2200 movements of personnel from one job classification to another, while the company has experienced in the past year alone. In addition, the union has made numerous demands for mutual determination of management rights, which the company has rejected.

"Time ran out before economic matters could be discussed but the company is ready to explore such matters in the area of wages, holidays, overtime and insurance when the language of the contract is agreed upon."

Both sides indicated they were ready for further negotiations when requested by federal mediators.

About 300 plant employees, not members of the union, were permitted to cross Local 490's picket line.

Chemical Workers Agree

Also on the local labor front, officials of Chemical Workers Local 1233 and the U.S. Steel Co. have reached a tentative agreement on a new contract. Union President Edison Phelps said today.

Members of the union will meet at 7 p.m. tomorrow at the Labor Temple to consider the proposal. The union members are employed at the firm's blast furnace.

Phelps said 17 meetings were held with Granite City Steel officials the last on Friday. The 550-member union voted nearly unanimously Aug. 24 to authorize a strike.

The union, however, declined to speculate on how his union members would vote tomorrow night.

Former GC Man Killed In Crash In California

Thomas R. Baker, 25, a resident of Granite City until moving to California, was killed in an auto accident Sunday on Highway 466, east of Bakersfield, Calif.

According to California state police, Baker, 25, was traveling in an other car behind his own when he attempted to pass two other autos. His auto slid on the shoulder, went out of control and overturned. A 42-year-old old man, who was driving the other car, is hospitalized; an 11-year-old passenger suffered minor injuries. Both are believed to be survivors of Mrs. Baker.

Baker, a Granite City Mr. Baker moved to Granite City at the age of five with his foster parents, Mr. and Mrs. James Baker. Baker, and lived here until moving to California, more than five years ago. His wife graduated from school in Macon and then returned to Granite City two years ago.

He was employed from March until last Aug. 2 at the R.C. Cola Co. plant on Highway 67a in the syrup concentrate department. He resigned his position to go to California.

Survivors of Mr. Baker are his wife, Barbara, two children, Lori, five, and James, three, all of California; two aunts, Mrs. Charles (Diana) Clark and Mrs. Dorothy (Evelyn) Lesting, both of Granite City.

Funeral services will be conducted Friday at a funeral home in Mojave, Calif., with interment in a Singer, Calif., cemetery.

Condemnation Suit By SWU Being Heard Today

Seven condemnation suits are on this week's docket of Madison county circuit court at Edgewood.

One was filed by Southwestern Illinois University against Julius Shaffer to obtain land for the new Quad-City Edisonville plant. The others were filed by the State Department of Public Works for highway projects.

Driver Charged After Crash At 20th, Ground

Richard C. Buchanan, 23, Alton, was charged with going the wrong way on a one-way street after his car collided with one of two cars.

He was released on \$100 property bond for a hearing at 11 a.m. Saturday.

Police said Buchanan was going south on Grand avenue and Krasnowski street, 20th street, the front of his car and the right front of Buchanan's vehicle were damaged.

Pair Arrested At Motel

Two persons from St. Louis were fined \$10 and costs of \$15 each Saturday by Edwardsville Police Magistrate William Tracy after they were arrested the night before and separately conduct charges at the Merced motel, U.S. 6 bypass 46-66 and 2944 Madison avenue, both at 2944 Madison avenue, said Tracy.

Accident On Benton

Alton police said boundaries were discovered early Monday at three Granite City service stations. Coin boxes were piled just outside of each machine, with amounts of money taken.
